Spoke to Scott - he's willing to have a call and we agreed to swap agenda topics - which should include - sharing observations re:meeting with Cabot, future coordination on Dimock and how to deal with other complaints coming into EPA.

Need to have times when folks are available

Subject: EPA conference call

Darek,

Ron Borsellino from EPA would like to set up a conference call with DEP to discuss the Dimock sampling. The folks who should be invited on our end are the same as those who were on the Wednesday Feb 22<sup>nd</sup> conference call (10:00 am). Can you work with Ron to find a convenient time in the next 1.5 weeks? Thanks!
